DOUGLASVILLE

MILITARY HONOR GARDEN

*Dedicated to all those
who serve.*

Keep Douglasville Beautiful would like to recognize all the brave individuals who are serving or have served in the military by constructing the **Douglasville Military Honor Garden**.

The **Douglasville Military Honor Garden** will be a dynamic addition to the City's public landscapes and an open event lawn, shade trees and benches, and granite pillars to recognize and celebrate current and former veterans from our community.

We hope to raise \$275,000 for the project, but this cost does not compare to the sacrifices our military personnel make each and every day to grant the freedoms we, as Americans, all enjoy. Our goal is to construct the entire garden using voluntary contributions and grant sources, not with taxpayer funds. We would appreciate your support.

We view this as a very special opportunity to let our military know that we value and respect their commitment, dedication, and sacrifices. Freedom is not free...we owe a great deal to our brave heroes... yesterday, today, and tomorrow. Please help us show our appreciation to our military and make the garden a reality!

With your support, this project will reflect the respect and appreciation this community has for our past and present military men, women, and families who sacrificed so much for our freedoms.

*Join us at the following levels
(monetary or in-kind).
All contributions will be recognized:*

- Bronze: \$500 - \$999
- Silver: \$1,000 - \$9,999
- Gold: \$10,000 - \$19,999
- Platinum: \$20,000 +
