

8-ds-05045-Precinct Changes

NOTICE OF MUNICIPAL PRECINCT CHANGES

Pursuant to O.C.G.A. § 21-2- 260 b, “The governing authority of each municipality shall determine and establish the number and boundaries of municipal voting precincts in accordance with the provisions of this article. Insofar as practicable, the precincts shall be the same as those for state and county elections”. Notice is hereby given that Douglas County Board of Elections and Registration in conjunction with the Municipality of the City of Douglasville intends to merge county, state and municipal precincts voting locations into a single location. The public is hereby informed that going forward their municipal and county precincts will be housed in the same location. Any voters that are affected by these changes will be receiving a new precinct card in the following weeks. If you have questions about your precinct voting location, please feel free to visit www.mvp.sos.ga.gov after September 17th to verify changes.
