ORDINANCE NUMBER ORD-2012-38

AN ORDINANCE

To enact Article VII. Foreclosed and Vacant Property Registry of the Environment Ordinance; to repeal any conflicting ordinances; to provide an effective date; and other purposes.

Whereas, in the interest of public safety, the City of Douglasville finds that there is a need to establish a foreclosure and vacant real property as a mechanism to protect property values in neighborhoods for all property owners. Due to the lack of adequate maintenance and security of properties that are foreclosed or where ownership has been transferred after foreclosure, the property values and quality of life of neighboring properties are negatively impacted. Improperly maintained and secured foreclosed properties can become a hazard to the health and safety of persons who may come on or near the property and can adversely affect the aesthetic and economic attributes of communities. Difficulties also often arise in locating the person responsible for the condition of foreclosed real property. The City of Douglasville finds that there is a substantial need directly related to the public health, safety and welfare to comprehensively address these concerns through the adoption of the provisions in this article. This foreclosure and vacant real property registry will require owners and agents to provide the city with official information for contacting a party responsible for bringing foreclosed and vacant real property into compliance with applicable provisions of the City Code.

BE IT ORDAINED by the Mayor and City Council of Douglasville, Georgia, and it is hereby ordained by the authority thereof as follows:
