

For City Use	
Date: _____	Project No: _____
	Building Permit No: _____

City Code Section 38-40 Prohibited Noise: (item 10) Construction or repairing of building or building site.

The erection, including excavation, demolition, alteration, or repair of any building, or the clearing, grading or paving of any building site, or the delivery of materials at any building site other than between the hours of 7:00 a.m. and 6:00 p.m. on weekdays, except in case of urgent necessity in the interest of public health and safety, and then only with a permit from the building official, which permit may be granted for a period not to exceed three days or less while the emergency continues and which permit may be renewed for a period of three days or less while the emergency continues.

If the building official should determine that the public health and safety will not be impaired by the erection, demolition, alteration or repair of any building, or the clearing, grading or paving of any building site or the delivery of materials at any building site or the excavation of street and highways within the hours of 6:00 p.m. and 7:00 a.m., and if he shall further determine that loss or inconvenience would result to any party in interest, he may grant permission for such work to be done within the hours of 6:00 p.m. and 7:00 a.m., upon application being made at the time the permit for the work is awarded or during the progress of the work.
